We hereby declare that SASA Polyester Sanayi A.Ş. properly adheres to REACH regulations. Our staple fiber products are categorized as an “Article” in compliance with Regulation (EU) 1907/2006 announced on 18th of December 2006 in Official Journal of the European Union and bears no obligation to registration under the REACH regulation.

SASA Staple fiber products do not contain above the 0.1 % weight (w/w) threshold of any substances that listed in the Candidate List of Substances of Very High Concern (SVHC) as issued by the ECHA on 04th of Feb 2026, according to Article 57 of REACH regulation.

Furthermore, we hereby declare that our polyester staple fiber, undrawn fiber and yarn products comply with the applicable restrictions set out in Annex XVII of Regulation (EC) No 1907/2006 (REACH), as amended.

Based on our product formulation, manufacturing process, raw material specifications, supplier information and internal technical assessment, substances restricted under Annex XVII are not intentionally used or added in violation of the applicable restrictions for these products.

This declaration covers the applicable restrictions specified in Annex XVII of the REACH Regulation, including the entries currently listed therein, where relevant to our products.

This declaration is based on our current manufacturing process, raw material specifications, supplier information, and the best of our knowledge at the date of issue. It is provided in good faith and does not constitute a warranty or guarantee of specific product properties.

In case of further questions, please do not hesitate to contact us.
Yours sincerely,

Hasan Semih Taner
